

User Manual on how to register and provide consent on e-Sahamathi as a Data Principal

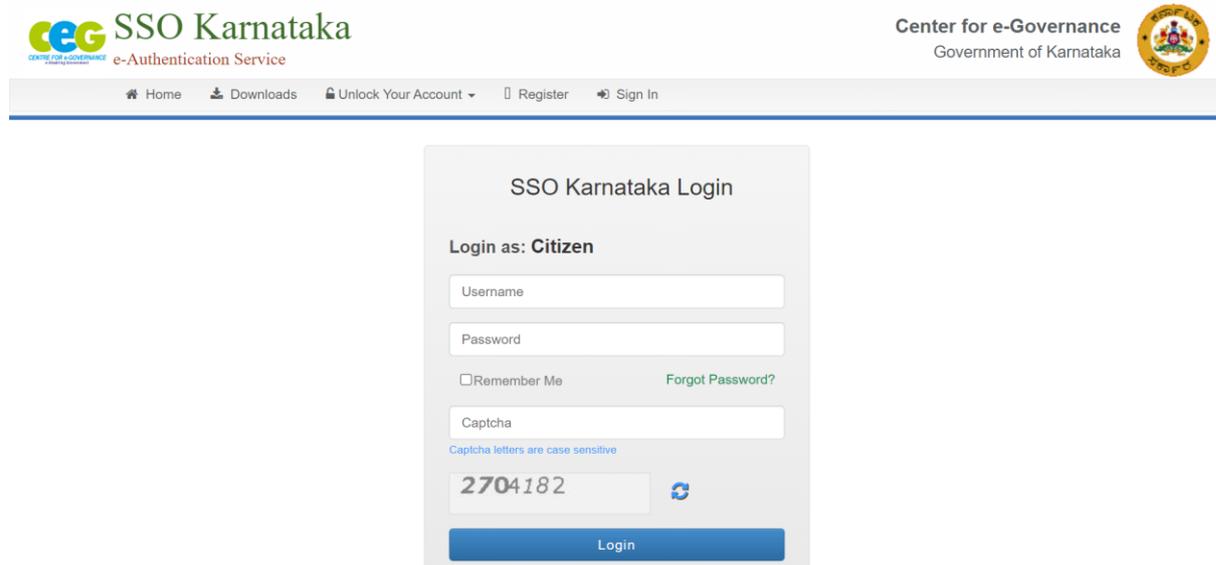

Step 1: Go to e-Sahamathi portal through link esahamathi.karnataka.gov.in and click on ‘Data Principal Login’ in the menu options.

Step 2: Create an account in SSO Karnataka.

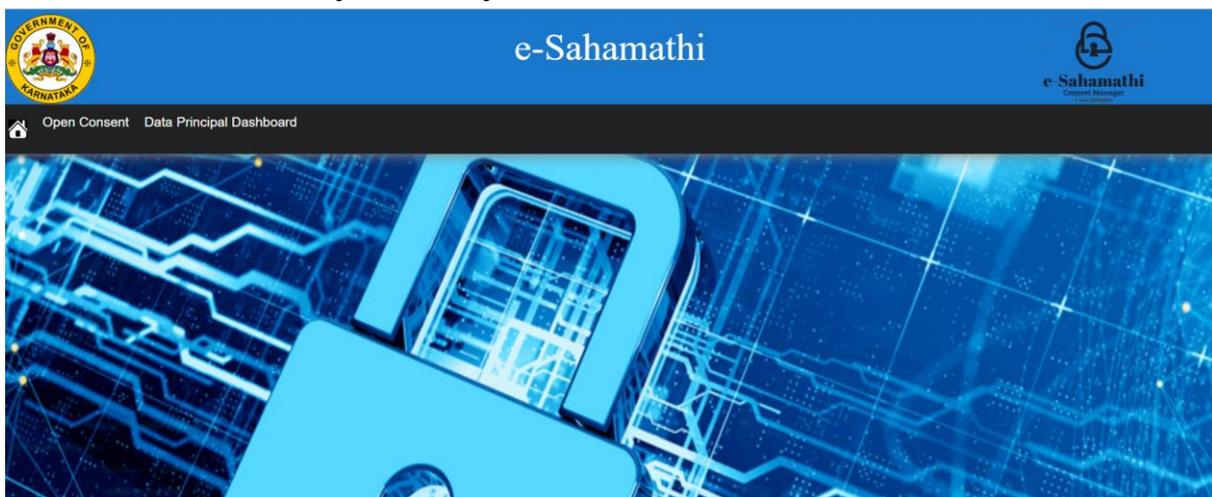

Step 3: Login to SSO Karnataka using your credentials.

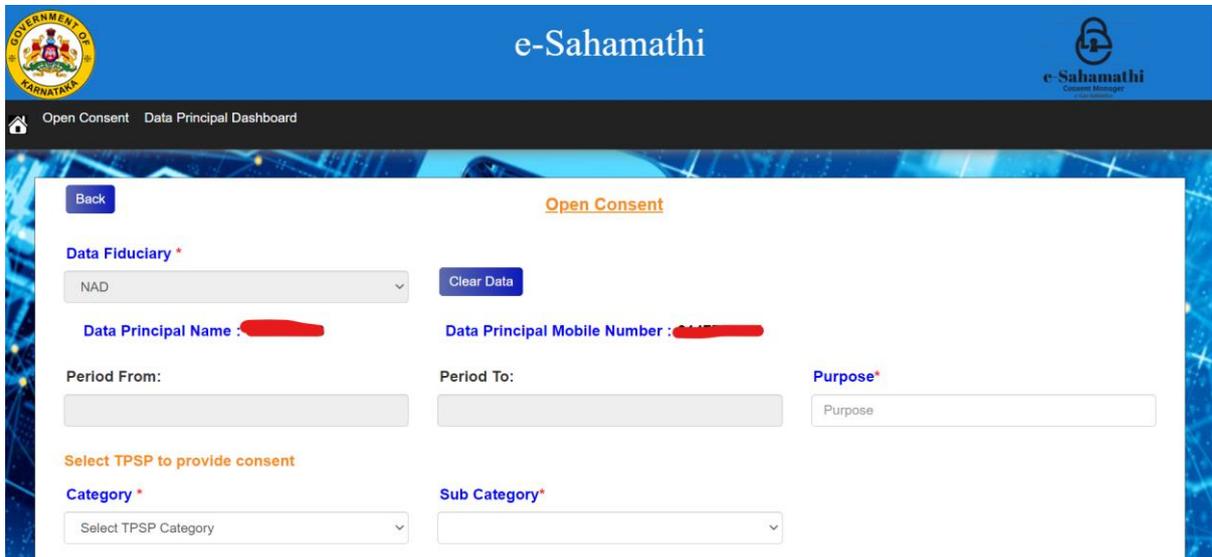

The screenshot shows the SSO Karnataka Login page. At the top left is the CEG logo and the text 'SSO Karnataka e-Authentication Service'. At the top right is the Center for e-Governance Government of Karnataka logo. Below the header is a navigation bar with links: Home, Downloads, Unlock Your Account, Register, and Sign In. The main content area is a login form titled 'SSO Karnataka Login'. It includes a 'Login as: Citizen' dropdown, a 'Username' input field, a 'Password' input field, a 'Remember Me' checkbox, a 'Forgot Password?' link, a 'Captcha' input field, and a captcha image showing the number '2704182'. A 'Login' button is at the bottom of the form.

Step 4: Click on ‘**Data Principal Dashboard**’ if you want to view list of consents or click on ‘**Open Consent**’ option if you want to provide open consent (*Open Consent is a data principal consent given to all or specific TPSP even before any TPSP raises request for data. Once Open Consent is given by you to all/any TPSP, those TPSPs will be able to access your data for which consent has been provided and you will not be asked for consent again*) for sharing your data with registered TPSPs (Third Party Service Providers) from Data Fiduciary where your data is stored and maintained.

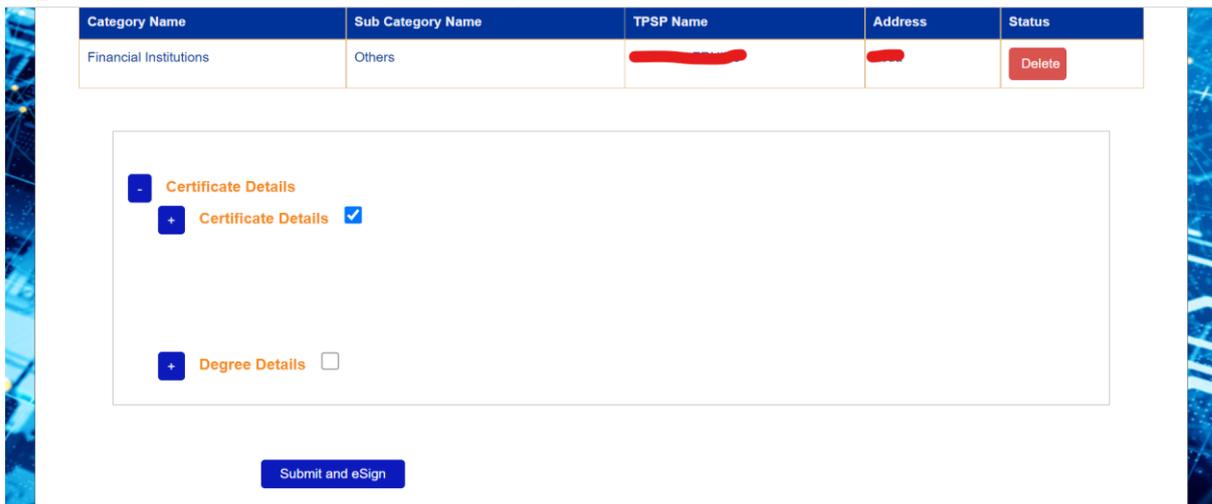

Step 5:5a. If you click on **Open Consent**, select the Data Fiduciary in which your data is present.

5b. Select all details in the Open Consent form and click on **Save** button.

5c. After successfully saving the form of Open Consent, review your form and click on **Submit and eSign** button to submit your Open Consent for the TPSPs you have selected to access your data.
